Stephen M. Dripps is a Senior Economist at the Center for Forensic Economic Studies. He concentrates on the analysis of economic damages in personal injury, wrongful death, employment discrimination and commercial matters. Since 1997, he has worked closely with Center clients on discovery, damages analysis, deposition strategy, cross examination strategy and the scope of direct testimony.

Mr. Dripps also manages the analyst staff at the Center. He serves as an expert witness at mock trials conducted at Temple University’s Beasley School of Law LLM Trial Advocacy Program.

Mr. Dripps received his Bachelor’s Degree in Statistics and his Master’s Degree in Finance from Pennsylvania State University. Mr. Dripps is a member of Beta Gamma Sigma, the international business honor society. Mr. Dripps is certified as a Certified Valuation Analyst by the National Association of Certified Valuation Analysts.
